

Capabilities Statement

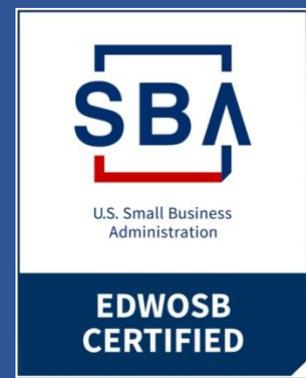

Altrua Solutions specializes in government contracting and grant writing services, empowering businesses to secure funding and achieve their project goals.

Core Competencies

- **End-to-End Grant Support:** From discovery to submission, we handle the complexities of the application process.
- **Funding Strategy & Planning:** We design custom roadmaps to help you navigate and capture diverse funding streams.
- **Collaborative Network Building:** We connect you with the right partners to build more competitive, high-impact proposals.
- **EDWOSB Certified:** Leverages Economically Disadvantaged Woman-Owned Small Business status to access exclusive government set-aside opportunities.
- **Agile & Results-Driven Approach:** Our specialized team provides personalized communication and dedicated focus to secure contracts perfectly aligned with your core capabilities.

Differentiators

At Altrua Solutions, we eliminate the complexity and uncertainty of securing essential funding and contracts. As an Economically Disadvantaged Women-Owned Small Business (EDWOSB), we bring a specialized understanding and a relentless, results-driven approach to every client partnership. We serve as your expert navigators, meticulously researching, strategizing, and crafting proposals that clearly articulate your unique value proposition to government agencies and foundations.
